Wednesday 13 April

Classic fight scene
Brooke and Taylor have never had nice things to say about each other. Of course, they've spent most of the past two decades fighting over the same guy – Ridge Forrester. On Wednesday 13 April, the two foxy ladies start arguing over Ridge, the children they have with Ridge, and their work at Forrester Creations – and it escalates into a brilliant Dynasty-type pond fight! Don't miss it! 📺
